

# BIAPA 2024 Annual Conference

Creating Roadmaps for Brain Injury Rehabilitation: The Journey from Initial Treatment to Community Inclusion

JUNE 24-25, 2024

Lancaster Marriott at Penn Square

Lancaster, PA

**NEW!**

## Pediatric Content

Tuesday, June 25, 2024

9:00am-4:00pm

This year, BIAPA is proud to offer one day of sessions for caregivers of children with brain injury and for pediatric professionals, in addition to its regular conference content.

- Up to 6 CEUs available for Tuesday sessions
- Children and adolescents ages 18 and under can attend at no cost
- A caregiver support group, facilitated by Madeline DiPasquale, PhD, will be offered at 4:00pm
- A limited number of scholarships are available for pediatric caregivers! [Apply Here](#)
- A FREE short adaptive music session will be offered
- *Please note that sessions are designed for adults*

**Please check the box labeled “Pediatric Caregiver” on the Conference Registration Form**
